

The Tehillim Squad is group of women that were organized in the 80s and recite tehillim daily on behalf of our community's cholim. The squad is looking for more volunteers to join the 75 women currently serving! Please contact Aarah Aizman for more info and to have a chapter assigned to you.

To add a name to the list, please email it to [aarahaizman@hotmail.com](mailto:aarahaizman@hotmail.com). If you do not receive a confirmation, please call or text Aarah to make sure the email went through. Allow 24 hours. Names are kept on for two weeks unless notified otherwise. If you are uncertain if a person should be placed/remain on the list, please consult your Rabbi.

Policy reminder: For names that go beyond the realm of the TC community, we hope that these people have a Tehillim network within their local community to be cared for in this way, if not - our community is happy to take them in and personally recite their names among our community names. It is limited in this way to help ensure that the full list of names is well cared for and recited.

Please consult Rabbi if you are not certain whether circumstances merit remaining on list. On behalf of those who are recovering and need your prayers, thank you! Note: the non-Jewish people are listed separately because they are not to be included in the bracha: "cholim b'toch sh'ar choleh Israel" -- "the sick within the Jewish nation") There are different opinions regarding how to list a gentile's name. If you have any questions, please contact your Rabbi.

Thank you for your prayers for those who are recovering and need your davening.

MAY HASHEM SEND US MOSHIACH, AND WE SHOULD MERIT TO SAY TEHILLIM - OUT OF HAPPINESS, IN THE BEIS HAMIKDASH WITH THE SINGING OF THE LEVIEM.
